CL230 Upgraded and improved

Features:

Updated, lower profile, with improved tooth technology.

New, snag free fairlead.

• Completely interchangeable with previous CL230, which will still be available to special order as part numbers CL230-O & CL230AN-O.

Prices remain the same.

For through-deck, dinghy trapeze, windsurf harness and kitesurfing use.

Launch Date

From November 2006, we will supply updated CL230 and CL230AN as standard. If you specifically require the old style, order CL230-O or CL230AN-O. We will not be publicising this update, so existing stocks at dealers and boatbuilders will not be affected.
